Dear Mr. /Ms.

We hereby cordially invite you to a Scandinavian conference in our neighbouring country of Germany, in one of the most attractive hotels in the state of Mecklenburg-Vorpommern - "Yachthafenresidence Hohe Düne" in Rostock.

The topic of the Conference is **Expansion to Germany** with a special focus on

Market and Sales Opportunities

With its more than 80 million inhabitants, Germany is Europe's largest economic region and possesses Europe's highest level of buying power. For this reason this market is of interest for all Scandinavian companies. During the conference it will be possible to benefit from the experience of other companies to avoid potential stumbling blocks, to share one's own experiences with others as well as to obtain new ideas regarding access to the German market.

Production and Sales Opportunities

The eastern part of Germany offers a range of advantages in association with a relocation of activities in the fields of production, research and development. The State of Mecklenburg-Vorpommern was just ranked in number 2 on the dynamic barometer of the renowned business journal "Wirtschaftswoche". Strong growth and low wage costs make Mecklenburg-Vorpommern an attractive state to invest in. The conference will shed light on topics including access to labour, financial support opportunities and effectivity as well as education and training levels. In addition, Invest in Mecklenburg-Vorpommern, Invest in Germany and enterprise europe network will be present at the conference to answer your questions.

The conference for companies from Denmark, Sweden, Norway and Finland will take place on the 9th and 10th of October in Rostock.

Participation in the conference is free of charge, whereby travel and accommodation costs are to be borne by the participant. Enclosed you will find a registration card for the event.
